NEWS RELEASE
CHANGE IN TRAFFIC PATTERN
INTERSTATE 70

Ohio County, WV – The West Virginia Division of Highways advises that the crossover of I-70 Westbound traffic onto I-70 Eastbound, from the Marion Street Exit in Bridgeport, Ohio to the Wheeling Tunnel, has been delayed. This change in traffic pattern will be implemented on Monday, November 11, 2019. Currently, I-70 eastbound, from Marion Street to the Wheeling Tunnel, will continue to be restricted to one lane, and the Market Street On Ramp to I 70 Westbound will be closed until November 11th. This is necessary for Swank Construction to perform crossover construction and shoulder reconstruction for the I 70 Bridges Project.

Motorists are advised to be alert for changing traffic patterns and expect delays. Any questions or concerns regarding the I-70 Bridges Project can be directed to the hotline at 304-810-3214. For additional information regarding this project, please visit www.i70forward.com. Inclement weather or unforeseen circumstances could change the project schedule.
