**FOR IMMEDIATE RELEASE**

**April 23, 2021**

**Temporary Lane Reductions on 215 Beltway near US 95 interchange in Las Vegas Begin May 2  
Construction Continues on the Centennial Bowl Project's Final Phase**

The Nevada Department of Transportation (NDOT) announces the 215 Beltway near the US 95 interchange in Las Vegas is anticipated to be reduced to one lane in each direction beginning 9 p.m., May 2 through 5 a.m., May 22 for the replacement of a drainage crossing beneath the 215 Beltway. The temporary lane reductions will be in effect 24/7 as part of the \$155 million Centennial Bowl project's final phase.

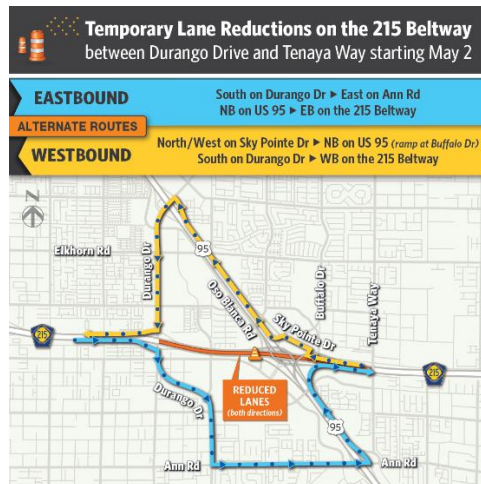

Alternate routes in both directions include:

**Eastbound motorists on 215 Beltway:**

- Exit at Durango Drive and head southbound to Ann Road
- Turn left and travel east to access the northbound US 95
- Exit at the ramp connecting northbound US 95 to the eastbound 215 Beltway

**Westbound traffic on 215 Beltway:**

- Turn right at the Sky Pointe Drive intersection then left onto Sky Pointe Drive
- Access northbound US 95 via the on-ramp at Buffalo Drive
- Continue northbound on US 95 and exit at Durango Drive
- Travel south on Durango Drive to the 215 Beltway to bypass the construction area

Motorists should use caution while travelling through the work zone, heed construction signage, and take alternate routes. NDOT works with Waze to inform the public about planned highway restrictions, but unscheduled construction changes, closures, and restrictions are possible due to weather or other factors.
