

## LONG-TERM CLOSURE OF OSO BLANCA ROAD FROM CC 215 BELTWAY TO SOUTH OF DEER SPRINGS WAY BEGINS FEB. 7

Oso Blanca Road will close from the CC 215 Beltway to just south of Deer Springs Way in northwest Las Vegas beginning at 9 pm, Sunday, Feb. 7. Oso Blanca Road will remain closed for up to three years during the system-to-system interchange's completion as part of the \$155 million Centennial Bowl project's final phase, which began last month.

This long-term closure will widen and realign Oso Blanca Road, eventually providing direct access to Centennial Center Boulevard. Construction also modifies eastbound CC 215 Beltway access at Oso Blanca Road, incorporates new one-way slip ramps to and from Sky Pointe Drive, and includes a new multi-use trail benefitting the community.
